TO ALL M.R.A. COMMITTEES

SATURDAY, MAY 21 st., 1983.

Re the letter from M.R.A. N.S.W., dated April 19 th. Some Victorian Registers have requested that the Vic. Branch make a formal statement on same.

On receiving said letter I rang Adolo Mitchel (Sydney Committee) and explained that what I had said was ALL from the M.R.A. Vic. submission on the National Body, presented at the National Conference, in Canberra, in January. A copy of that submission was sent to each Branch and Register. If you have not received it please drop us a line and we will forward a copy.

It seems strange to us that the word of a member of a group that came out on the side of the Police, in writing, after Bathurst '81, should be taken over the the word of an M.R.A. member without even a phone call to check.

Also, it seems that the N.S.W. minutes said that Vic. was in financial difficulties again. THAT IS NOT TRUE.

Please remember that the next National Conference will be held at M.R.A. House on June 25 & 26 th. ALL BRANCH & REGISTER COMMITTEES SHOULD BE REPRESENTED. Please let us know what you want on the agenda and what you accommodation etc. requirements will be. If you cant get a rep. to the Conference your comments, in writing, will be discussed at the Conference.

Negotiations are going well for the National Newsletter. They should be finalized by May 25th. The first issue of the Quarterly Newsletter is planned for July. To be included you will have to send us your membership list. It will remain confidential and wont be used for any other purpose than mailing the newsletter. We also need a list of your discounters and advertisers (if you like). Material to be published should include typed articles and B & W photos or negatives.

To be in the first issue you will need to hurry. S.A. is way ahead of you.

Ride safe,

Damien Codognotto  
President  
M.R.A. Vic.

A.C.T., New South Wales, Queensland, South Australia,  
Tasmania, Victoria, Western Australia and Gt. Britain

**let those who ride decide**
