Dear Dave,

Warren has handed to me your letter of the 5th February, 1987 and the magazine articles. It seems that in only one of the articles are you referred to by name. That is the Field of Fire article on January the 16th. You were accused of:-

1. Working with "outside interference".
2. Accepting the retention of limited common law rights and premiums of up to \$200.00 for big bikes.

The first allegation is probably libellous and the second allegation is probably not. I think that the appropriate action is to request retraction. I would be happy to discuss this with you.

With kind regards,
