19 February 1987.

The State Committee
MRA Australia Incorporated
Victorian Branch.

Dear State Committee,

regarding the motion to expel me from the Motorcycle Riders' Association of Australia Inc. moved at the last State Committee meeting which I believe was held at the MRA Shop on the 12 th of February.

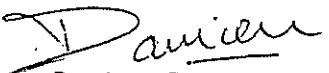

I have not been given the opportunity to defend myself nor even to see the allegations. However, I am prepared to consider the matter closed if the following 4 conditions are met by March 5th 1987.

1. That I receive the complete motion and/or allegations as put to the meeting with the names of the person who moved the motion and the person who seconded it, in writing from the State Committee.
2. That I receive a copy of the Constitution or articles of incorporation, with the section clearly marked, under which this motion was put to the meeting.
3. That I receive a letter signed by the mover and the seconder of the motion that withdraws the motion in its entirety.
4. That this letter, a copy of the complete motion and allegations put to the meeting and a copy of the letter of withdrawal be sent to each Victorian MRA Register with the minutes of the meeting.

This matter appears to be widely known yet I have not been informed of who my accusers are nor of the accusations. I have made myself available to meet with representatives of the State Committee this Sunday but it seems that this will not happen unless I agree to keep the matter confidential.

I am completely innocent of any wrong doing and consider my good name may have been slandered. I believe that the matter should be discussed honestly and openly and that the members have a right to be informed of it. I have nothing to hide or be ashamed of. I have worked very hard in the last year to support the Association. I hold 3 titles in the Victorian Branch. Founding Member. Honourary Life Member. Patron of the Victorian Branch.

However, in the interests of the members and the Association I am prepared to consider the matter closed if the above 4 conditions are met within 14 days.
