DAMIEN CODOGNOTTO,
SHOP SUPERVISOR,
MRA VICTORIA.

30-10-87.

Dear Damien,

This letter is to discuss a number of issue's regarding MRA activities.

It has been brought to my attention that the attitude of Julian Butler towards the Secretary of the association, leaves a lot to be desired.

I suggest that you speak to him about his behavior. Also it should be pointed out that any changes in his work practise's (use of motorcycle) will be judged on merit by the Steering Committee prior to the change (if any) rather than by verbal harassment of the Secretary.

Naturally these changes will need to be requested in writing, through you as Shop Supervisor to the Secretary.

As you have said before we all need to work together.

I have recently been contacted by Dennis Quinn, who was the Regional Manager RTA, Morwell. I had asked him to read and comment on the Third Party draft, he has informed me that the RTA in Melbourne (who did not support any increase in Premiums) would be happy to present some of the information to the government on our behalf.

Dennis has also indicated that he would be willing to act as a consultant to the MRA on Third Party if we agree. I think that his offer should be accepted and i will be writing to John Karmouche for his comments as well prior to Christmas so that if we all agree then we can proceed with an experienced advocate who supports our T.P. campaign.

I would also like a copy of Jolly's letter and any info you have on the Private Members Bill, for my file.

The Open Rode will be compiled before Christmas with a deadline of December 13, except for a space to tell people who wins the raffle prizes.

A photo would be good if possible and we can do a centre page calendar of events if you have all the details.

Could you keep the newsletter in mind if anyone is asking about advertising so the newsletter will be able to cover all the costs next issue, one thing that comes to mind is the Motorcycle Diary put out by Colin Rosewarne which would be great.

Please send me a written reply on the subject's raised when you get a chance.

Yours Sincerely,

D. Hornsby
