

MON. JUNE 28, 1995

PETER BRICKWELL
MRA AUST. INC.
SECRETARY.

Dear Peter, please inform the Board that
MRAA is dying as it did in 1985/6. We have
NO income. For 2 weeks we have had a
more handful of memberships. For 2
months I have been begging for help
getting members. I bet not one person
was out on the weekend signing people
up. We have *NO AGM Meeting Place
*NO Toy Run venue
*NO Cash to post T.D.F.
*NO Future.
kinda, So, Gus and I have done our best
and will try August 1. We are working as
hard as we can to get new members
and post renewals but we can only
afford 100 more stamps. The next
with MRA NSW htd will be a joke
eh? Not to worry. Gus on
me.
