Dear Sir,

Re: Trademark Registration.

We refer to the above matter and now wish to advise that an application for the registration of the trade mark "MRA Motor Cycle Riders Association Let those who ride decide" was lodged at the Trade Marks Office on the 4th November, 1983.

It should be noted that the lodging of the application form does not constitute registration of the trade mark. There will be a substantial delay involved pending the examiners report which should be received in approximately 14 months time and after overcoming any objections which may be raised by the examiner the mark is thereafter advertised in the official journal of patents trademarks and designs. The mark is open to opposition for 6 months and thereafter registration is granted upon payment of the relevant fees and a Certificate of Registration is issued.

I trust that the above meets with your approval and will keep you advised of all further developments.

In the meantime we now enclose herewith our disbursement account for your attention.

Yours faithfully,  
BRYAN J. GURRY & CO.,
