Sir,

At the MRAA Board meeting of July 13, 1997, motions were passed unanimously regarding the sum of \$790 owed to you by the MRAA. Public Officer, Detlef Lamp, was asked to make you a reasonable offer regarding the \$790, and, a generous offer regarding more ^{work} provided a written quote was supplied. Video tape of the meeting is available.

These offers were made so the MRAA could gain access to its financial records, held by you, to prepare papers required by law for the AGM on August 10. To show good faith I offered to pay part of the MRAA bill myself and supplied an NMC cheque for \$90.

I understand you have rejected the MRAA offer and not supplied the quote as requested. Attached find an MRAA cheque (001023) for \$100 being the initial payment. The MRAA has resolved to pay \$50 per week to clear your account. When the account is paid in full the MRAA requires all books, financial records and any other items belonging to the MRAA that are in your possession returned.

If MRAA members or authorities wish to know why the MRAA cannot meet its legal obligations copies of the material herein will be made available.

The MRAA Board and the MRAA Public Officer have done all we can to meet our responsibilities and comply with the law.

Attached please find 1. Meeting minutes for July 13 1997.
2. The Report from Public Officer, Detlef Lamp. 3. MRAA cheque.

Damien Codognotto OAM
President.
