ADDENDUM

Important Board Resolution of the Minutes of the Board Meeting 20 August 2003

Alex Money advised that a bill for legal costs was received, this bill is currently disputed and in the hands of legal people to be taxed. It may be some time before a possible amended bill is received. The President advises that throughout his involvement in this legal process, he was acting in his capacity as a representative of the MRA Association and makes application for reimbursement of the total cost of the legal expenses. The Board of the MRA recognises the concern of the MRA President regarding the legal costs resulting from the court proceedings and on the basis of professional advice received on the 20 August 2003, the Board determines that this is the correct course of action.

Motion by John Karmouche

That the MRAA will reimburse and take responsibility for any legal costs that may arise from legal action resulting from matters that have taken place between the President of the MRAA, Alex Money and MRAA member Damien Codognotto.

Motion is seconded by Anton Lange.
