Damien Codognotto
PO Box 3091
EAST DONCASTER VIC 3109

Dear Mr. Codognotto,

Thank you for your application to be a member of the MRA(Vic). We have kept a copy of this as a matter of record that you recognise that your previous Honorary Life Membership has, as a matter of fact, been lawfully cancelled by the 2005 executive and reaffirmed by subsequent vote of the membership in 2006.

However the MRAV Constitution is clear in Section B4.2.2 that the Association may not approve memberships from adult persons who have previously been expelled from the Association. The Board is not in a position to approve this application.

Furthermore, the Constitution states to return all fees paid with such an application with a written reason for this (see paragraph above).

As you have been expelled from the MRA(Vic), we are returning to you the membership application and fee in accordance with the rules.

Yours sincerely,

Grant Delahoy,
President MRA(Vic)

REF

B4.2. The Association:

- B4.2.2. may not approve membership applications from adult persons who have been previously expelled from the Association, and shall give written reasons for non-approval and return all fees paid with such applications.
