

Dear Dale,

In its 32 years the MRA (Vic) has been fortunate to have members who have been willing to step up into MRA (Vic) Board positions.

The role of MRA (Vic) President is surely the most challenging role of all, as you will recall from your time in this position. Each President brings their own leadership style, and this is quite appropriate. The MRA (Vic) constantly evolves and grows based on this.

However, when members vote for the President and other positions at the MRA (Vic) AGM, they nominate and elect the people they believe will best represent, for that term in office, the face, and interests of the MRA (Vic).

Your time as MRA (Vic) President is acknowledged, and is much appreciated. However, we seek that you now step back, and let the current Board act on behalf of members.

We ask that you represent yourself now only as a member of the MRA (Vic), and do not convey to the media, web forums or anyone else that you purport to speak on behalf of this organisation. We also ask that you attend to amending your email and letter footers and updating your phone and voicemail messages as required.

The board hopes that you can appreciate how mixed messages do not assist with building relationships and lobbying efforts both with authorities and riders themselves. We hope your assistance with this will mean no further censure actions need undertaking and you understand the spirit of continuing co-operation in which this letter is being sent.

On behalf of the MRA (Vic) board and its members we thank you again for your co-operation and contributions to the MRA (Vic) as president.

Regards,

Kerry Walton
