

VICTORIAN MOTORCYCLE CONFERENCE

*The Organisers**

c/o PO Box 1933R

Melbourne, Vic, 3000

Fellow Motorcyclists,

On the Queen's Birthday weekend, a group of Victorian motorcyclists met and discussed ways to allow the broad motorcycling community to participate in developing common policies on motorcycling issues. It was decided to invite motorcycle organisations to send delegates to a conference to determine the viability of a (twice a year ?) broad-based conference of motorcycling organisations, possibly resulting in a group similar to the Motorcycle Council which has operated successfully in New South Wales since 1982.*

Conference details are,

commencing at 11.00 am,

Sunday 29 September 96,

at Coach & Horses Inn,

Station St., Clarkefield, Vic.

Less than an hour north-west of Melbourne on the Lancefield Road

Restaurant, Open Fires & Bar Meals

It is hoped that the Victorian conference will attract a broad spectrum of road, trail and competition riders to discuss motorcycling related issues in an open forum situation. All motorcyclists are welcome to attend and we urge all clubs to send delegates and observers.

Yours in motorcycling,

*The Organisers**
